WELCOME

from
Julian M. Carroll
Governor
Commonwealth of Kentucky

and
Wendell P. Butler
Commissioner
Kentucky Department of Agriculture

Dear Exposition Guests:

Welcome to Kentucky and this second annual North American Livestock Exposition.

We know you will enjoy this year's event which is even bigger and better than last year and already ranks among the best in the country.

In addition to more than 1,900 beef cattle this year, we have sheep as well -- more than 1,500 as a matter of fact, about the same as the "Grand-daddy" of expositions at Chicago last year, which showed the most sheep in years.

And, of course, the big new RCA rodeo is an added feature this year, with fine shows five nights running.

The additional motel rooms in the new Executive Inn West were meant to make everything more convenient for guests at such events as this. We hope you find everything to your liking, have an enjoyable time and will come visit us again.

Sincerely,

*Julian M. Carroll
Governor*

Dear Friends:

Welcome to the second annual North American Livestock Exposition and Championship Rodeo.

We of the Kentucky Department of Agriculture and Kentucky's livestock industry are pleased that each of you are a part of this dynamic event. For those of you who were with us last year, I am sure you will be pleased with the growth and expansion made in just one year. If you are participating in the North American for the first time, we sincerely hope that you find it to be an enjoyable and exciting experience.

As announced last year, sheep have been added to the North American for 1975. In addition to having sheep entries in greater numbers than we hoped for the initial year, beef cattle numbers are up from last year. The number of commercial exhibits are up, and a Collegiate Judging Contest has been added as has the National 4-H Poultry Judging Contest. And of course we are pleased that we will again have the National 4-H Livestock Contest at the North American.

Addition of the Championship Rodeo to further add to the general appeal of the North American gives us a well-rounded event. With your continued interest and participation, the North American can be a major showcase for the promotion and advancement of livestock and agricultural interests.

Sincerely,

*Wendell P. Butler
Commissioner*
